

Coronado's Community Grants Fund

Greenbrier Minerals not only aims to be a safe and reliable employer of choice, we also seek to give back to the local community in a meaningful way.

Coronado has an established Community Grant Fund with a budget specific for the area around our Logan operations. Funds will be available for community organizations, sporting and recreation facilities and educational programs. If you are part of an organization that could use some support, apply for funding today!

Visit our website or scan the QR code to complete an application form: coronadoglobal.com/community-grant-fund/

Application Process

Coronado will allocate a committed amount of funds each year to support community development projects that are active within the region of each of our operations in Australia and the US.

Several grants will be available across four quarterly funding rounds for eligible organization surrounding our Logan operations. Applications will be called for in a proforma application each:

- February
- August
- May
- November

Applications will be adjudicated by Coronado's Community Grant Fund Committees that have been set up for each of the operations.

We invite applications from not for profit organizations whose community events or facilities have made a positive impact in the areas of education, social welfare, or community health.

Coronado's Community Grant Fund

Who are we?

Coronado Global Resources Inc. is a leading international producer of high-quality Metallurgical coal (Met coal), an essential element in the production of steel. Coronado is one of the largest Met coal producers globally, supplying customers on five continents with a range of high quality coals.

Our mining operations and development projects are located in Queensland, Australia, Pennsylvania, Virginia and West Virginia in the United States. We are committed to operating in an ethical and sustainable manner and supporting our local communities.

At Coronado, we are committed to being good neighbors. To us, this means ensuring proactive and effective engagement and consultation and respecting the needs and desires of those who live and work in the communities in which we operate.

WE ARE CORONADO. At Coronado we care for ourselves, our co-workers, our company and the communities in which we operate.

C

COLLABORATION

We work together to get the best outcome

A

ACCOUNTABILITY

We do what we say we will do and take ownership of our successes and failures

R

RESPECT

We welcome and value all individuals and understand the value that diversity brings

E

EXCELLENCE

We maximize our efforts and strive to be better tomorrow than we are today

Community Grants Fund: Eligibility Criteria

The following eligibility criteria for applicants is required:

- Groups or organizations must be located in the local area or from a select range of other groups who make a direct contribution to the local community - and will deliver their project, service, or initiative to residents of the local community.
- Applicants must be either a not-for-profit community-based group or organization, a school association and/or a non-government organization.
- Projects or initiatives deemed to be of a political nature will not be eligible.
- Applications must be complete and submitted on the official application form.
- The grants should support a specific purpose which is aligned to Coronado Values and any specific community or social focus areas that are determined by the Company, and not be an alternative for recurrent operational income requirements.
- Applications must be received by the specified closing period for each respective grant round.
- Projects, initiatives, and purchases must be completed and acquitted within 12 months of receipt of funds.
- Successful grant recipients and outcomes are to be jointly promoted to support our collective effort.
